Case No. [24-cv-05701-HSG](#)

**ORDER REGARDING PLAINTIFF'S  
"SETTLEMENT REQUEST AND  
RECORD OF CALIFORNIA BAR  
COMPLAINTS"**

Re: Dkt. No. 34

12  
13 On December 29, 2024, Plaintiff filed a document titled "Settlement Request and Record  
14 of California Bar Complaints," Dkt. No. 34. It appears that Plaintiff filed a letter to opposing  
15 counsel discussing a settlement offer to Defendant Redfin Corporation and seeking information  
16 about a number of attorneys. To the extent Plaintiff intended to direct these requests to the Court,  
17 it must respectfully deny them. First, the Court is not an intermediary for settlement (or other)  
18 discussions between the parties. Any settlement-related communications should be conveyed  
19 directly to the opposing party. And second, the Court cannot provide legal advice or do research  
20 for any party.

21 If Plaintiff's intent was just to inform the Court of these communications, doing so is not  
22 necessary and Plaintiff should not file such communications in the future unless they are relevant  
23 to a motion (i.e., a request for the Court to take action, filed in compliance with the Federal Rules  
24 of Civil Procedure and this district's Local Rules). Neither party needs to or should "copy" the  
25 Court on routine litigation communications, and the Court will strike any such further  
26 communications that are filed from the docket.

27 This order TERMINATES Docket No. 34.
